BASE BID DESCRIPTION:

General Construction - The work under this contract will consist of milling/replacement of existing asphalt shoulders with hot mix asphalt (HMA) overlay on Runway 1L/19R. Items ancillary to the project are elevated runway removal /replacement, asphalt shoulder repair along Taxiway E and minor landscaping. Multiple phasing will be required including weekend night work at the main runway intersection.

CBDP concurs with the DBE participation for the above recommended Bid. Please refer to the approved Form DBD-014C attached to the bid recommendation.
